## PROETINK.

ALL DISEASES OF THE BLOOD. ALL DISEARES OF THE BLOOD.

If VENETINE will refere pain, cleaner, purify and care such disease, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years is it not conclusive proof, if you are a suffere, you can be cured? Why is this medician performing such great cures? It works in the blood, in the circulating field, it can truly be called the GRAT BLOOD PURIFIER. The great source of disease originates in the blood; and un medicine that dues not act directly upon it, to purify and remease, has any just claim upon public attention.
